First Annual Mary T. Botelle Gardening Program
Hope Valley, RI

April 9, 2011

Thank you for joining me at Saturday's talk. Here are some of my favorite books that celebrate many of the plants in the lecture. They are available either in the gardening section of the Langworthy Library and its sister libraries throughout Rhode Island, or can be ordered at your favorite bookstore.

Keep in touch if I can provide more information: Louis@RGardening.com

Thanks again!
